

RETURNING TO WORK

PRESENTS.....

This course is designed for women who are working towards a return to work after parenting or other caring responsibilities. We are able to customise this course over 1 to 5 days, depending on the needs of the trainees.

Learn how to:

- Identify your career starting point
- Find opportunities in the work market
- Identify your skills and abilities
- Build your support networks and strategies
- Create a true résumé that works
- Build confidence and knowledge
- Identify what you're worth and how to negotiate.
