## THE MURDOCH DIFFERENCE

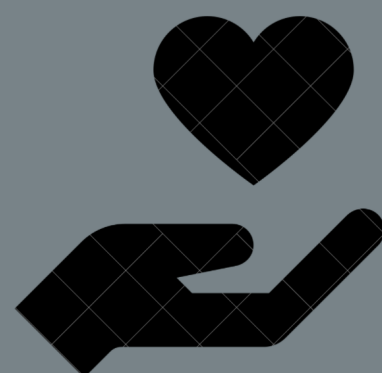

ASK ANYONE WHO'S STUDIED THERE, THERE'S SOMETHING SPECIAL ABOUT MURDOCH.

Murdoch is a place where you can be yourself and be appreciated for who you truly are. The kind of place where the lecturers know you by name, and down-to earth students wave to you across the lawns of Bush Court. We are honoured to welcome staff and students who come from all walks of life.

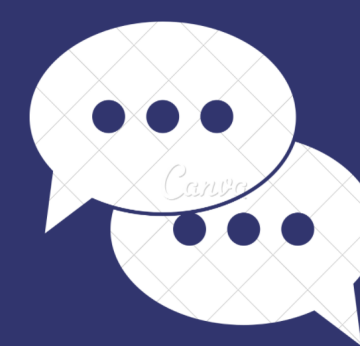

## PROUD PARTNERSHIP

Fremantle Education Centre is a leading institution in WA delivering vocational educational and training (VET) programs to senior secondary school students across both the Perth metropolitan and WA regional areas. Our partnership with Murdoch enables our students the opportunity to engage with course academics and advisors at the University to enhance their educational experience and increase their understanding of professional careers in the relevant sector.

## THE STUDENT BENEFITS

Students who undertake a Diploma level course with Fremantle Education Centre will benefit from an articulation pathway, meaning they can complete their bachelor's degree in two years, rather than three. Additionally, our students are able to apply early and reserve a place in a degree course cognate to their Certificate IV, pending successful completion of their WACE and their Certificate IV program.
